Small Practice, Big Needs?

The EMR you've been waiting for has arrived.

Designed specifically for the practice with 10 or fewer providers, the ClearPractice EMR includes a robust and easy to use Patient Health Record, Practice Management system, Electronic Prescribing, and a Mobile App for the iPhone or iPad — all for just \$425 per month/per provider.

Features:

- Only pure Web-based SaaS complete office solution on the market.
- Clinical content powered by Wolters Kluwer, the gold standard in clinical decision support.
- CCHIT certification for meaningful usage.
- One database for all the solutions.
- First SaaS CMS-approved patient registry so you can qualify for an additional 2% Medicare reimbursement
- Customizable design to fit any provider's workflow.
