Pre-Paid Legal Services®, Inc. (PPLSI) provides legal services to over 1.5 million families across the U.S. and Canada delivered through a network of exclusive and independent provider law firms. For a low monthly fee, the Company's legal expense plans (referred to as memberships) offer a variety of legal services funded in a similar manner to HMOs. By pre-paying the monthly membership amount, Members have immediate, direct, toll-free, access to an attorney at the PPLSI provider law firms countrywide rather than having to comb through a yellow-page style directory for a referral possibly during an already stressful period. And, having prepaid for your membership services, a significant majority of your member services unlike HMOs require absolutely no money out of your pocket. Furthermore, PPLSI has never increased monthly memberships to existing level member contracts.

Plan Options : [Expanded Family Plan with Probate Legal Shield Rider \(24-hr emergency access\)](#)

[Standard Family Plan with Probate Legal Plan for the Self Employed](#)

PPLSI believes its products are one of a kind, life events legal service plans and include unlimited attorney consultation as well as will preparation, traffic violation defense, automobile-related criminal charges defense, letter writing, document preparation and review and a general trial defense benefit. You can also include our identity theft restoration product that we believe is one of a kind because of the combination of outside vendors and our provider law firms.

Provider Law firms are carefully selected for the quality of service and closely monitored to maintain the high standards of Pre-Paid Legal Services, Inc. In 2004, Davis Miles, PLLC became the dedicated firm in Arizona. Davis Miles, PPLC in Tempe, Arizona is currently rated at the highest quality level by the national Martindale-Hubbell Law Directory.

Pre-Paid Legal Services®, Inc. was one of the first US companies established in 1972 solely to design, underwrite and market legal expense plans. In `79, Pre-Paid Legal became a publicly traded company (listed PPD) and is now traded on the New York Stock Exchange.
