HEALTH SUBMIT

Patients submit history, demo-graphics and symptom information prior to their visit.

You control the process and save staff time formatting patient information to complement clinician workflow.

Reduce patient waiting times and increase patient convenience.

Maintain data privacy and security in compliance with HIPAA standards.

Visit healthsubmit.com for an easy to use, secure solution for gathering your patients registration.

To find out if **Health Submit** can work for you, contact WYBTRAK at 877.992.8725 option 3.

Wybtrak will be supporting The Arizona State Physician Association Office management meeting on March 30th in Mesa and April 7th in Peoria. Contact ASPA for more information at 602-265-2524
